THANK YOU

Thanks to everyone who showed up to help with the fire in Wilson's yard - neighbors and friends, the RM, the Fire Department and Reamer Trucking. For me it really spotlighted the strength and importance of our community. I can easily put those things aside but this was a strong reminder. We are blessed to be a part of this community.
Russ, Bo, Paul, Betty and families

I would like to thank the community, friends, and family for their support and generous donations. With a special thanks to Mrs. Tami Reynolds for all her time and patience in helping us organize grad this year. To all the Consul teachers, thank you for guiding me through some of the most important years of my life. Also a big thank you to Scott and Barb Sanderson for hosting the grad party this year. To my fellow classmates for thirteen years of memories good luck in your future endeavors. Most of all I would like to thank my Mom and Dad for helping me through the good times and the bad times, righting me from the wrong, and putting up with all the mishaps that have given you grey hairs.
