### CONSUL RINK NEEDS OUR HELP!

Another season has come to an end at the Consul Skating Rink, however the board is preparing for the future of our rink. Our rink is a viable entity of our community & supports a wide range of community members of all ages who use this facility. We have 3 minor hockey teams, a figure skating club, a senior 'Hoser' recreation hockey club, a senior 'Rockets' team, as well as our Curling Club. We have maintained this facility to the best of our ability; however, we are to the point where we need to replace the "header" to our artificial ice surface. This is a costly undertaking, but a necessary one if we want to keep our rink functioning. Financially, this project will cost in excess of between \$40,000 (as estimated in 2010) to \$100,000 depending on the extent of the work performed. Unfortunately, it does not end there as the Cooler will also need to be replaced, as they go hand in hand, with the estimated cost of \$100,000. Ultimately, we need to raise \$200,000 because once our header goes our rink is done & the doors will close. We have consistently fundraised for the rink. We have also asked a few of the bigger companies in the area for a monetary donation, with little result. We are now asking anyone who has stepped foot in the rink for entertainment or recreation purposes to help assist in fundraising for this huge undertaking. It has come to the point if we don't act on it right away it will be too late. We are hoping whether you are someone in this community who uses or has used the rink, or a past hockey or curling parent or grandparent, or even a spectator of hockey or curling you will come out & help keep our rink going! We will be discussing & planning our options at our next **meeting at the Rink on March 20<sup>th</sup> at 7:00 pm. Please come out & support the 'heart of our community'!!**

## CONSUL MUSEUM AGM

Everett Baker's  
**SASKATCHEWAN**

PORTRAITS OF AN ERA  
Selected by Bill Walker

"Captured most people there" (excerpted from Everett Baker's diary, July 16, 1958) best describes Everett Baker's passion for Saskatchewan people, places, and events. Through the use of photography, this amateur photographer captured the lives and events of everyday individuals living in Saskatchewan from the late 1930s to the early 1970s. Baker's interests included a variety of subjects, and in particular, the social and natural history of Saskatchewan. He worked diligently on a number of projects to encourage the preservation of Saskatchewan's history. By capturing people and events on film, presenting early slide shows to groups throughout the province, and using his gift for storytelling, Mr. Baker created in people young and old an awareness of the importance of this history. In his later years, Mr. Baker donated to the Co-operative College of Canada over 10 000 colour slides that were eventually donated to the Saskatchewan History and Folklore Society. Through this donation, the slides continue to be utilized for research purposes, but also the tradition of slide shows continues! Presentations by the Society continue to draw audiences and inspire viewers. These slides, along with countless others found in many private and public collections, serve as a lasting legacy for the people of Saskatchewan, something that Mr. Baker had intended.

(Taken from the introduction to the Virtual Museum exhibit, "Through the Eyes of Everett Baker" by the Grand Coteau Heritage and Cultural Centre, Shaunavon)

Your opportunity to attend one of these entertaining slide shows will happen on the evening of March 26th at the Consul Museum AGM. As well, we will highlight our year, serve a tasty lunch, and give you a chance to win a door prize!
