The **Chinook Regional Library** is again having a **summer reading program** for all school children. Each time your child comes into the library & takes out books, or orders them online & picks them up at the Consul Branch, their names will be entered into the draw.

The Summer Reading Program started on Wednesday, June 29, and is done when school resumes.

There are reading logs, stickers & bookmarks. We want to encourage children to read through the summer months.

Check out our website & what we have to offer at Chinook Regional Library. We now have audio books, DVDs, and you can get books for e-readers from our library now.

We are now automated & can issue library cards which can be used all over the region.

Hope to see you this summer!!
