This month marks five years that Consul Museum has been publishing *The Reno Reader*.

With the profit, we have been successful in getting a good start on 'building' the Consul Museum. We would like to thank all our advertisers and our readers for their support and help in making this happen! Also, we are pleased to point out that advertising rates have basically remained unchanged over this time & that no increases are planned.

Be sure to stop in and visit at [www.consulmuseum.ca](http://www.consulmuseum.ca).

We are open 24 hours a day, seven days a week for your convenience! More "Pioneer Voices" videos are being added soon. As well, every issue of *The Reno Reader* since last June can be found there—in colour!
