The degree is 'project' based and will require me to lead a community team in choosing, planning and installing a project in our community within the next 3 years. I would love to have as many people involved as possible... your input is invaluable to my research and to the future of our community! Please plan to attend. This event is will be sponsored by Manley Bread and Honey, and coordinated by the Community Team who are assisting me in the pursuit of my degree. NOTICES

I am laying out the pieces and stitching together an idea for a new business in Consul, but I need your input! Would you have any need and would you support a service that offers clothing alterations and repairs and general sewing? My thought is to have a sewing room at the bakery that would be open weekdays from 9 until 3. Call me or flag me down on the street and let me know what you think. All feedback welcome! Call Bev at 299-4471. (1/4)

T H A N K Y O U

◆ Thank you so very much to all of my friends and neighbours who stopped in on my last afternoon at the Credit Union to wish me well on my retirement (and birthday). The good wishes I received from all of you, and the cards and gifts were overwhelming. I have always enjoyed my job, and I will miss seeing you across the counter, and helping you. Ed and I are looking forward to this opportunity to travel; however, we will be back in the spring, so please plan to visit and have a coffee, as I will have lots of time for visiting then. Thank you again. Sharon

◆ I would like to thank everyone for all the cards, gifts and phone calls I received for my birthday. Thanks to Terry for all her "over the hill" decorations. Special thanks to Louise for the curling-ice cake and candygram; also to Debra for all her input for the occasion. Good time was had by all! Thanks! Peggy

◆ Consul Figure Skating Club extends a big thank you to everyone for their support through buying community calendars!
