**THANK YOU**

\* Jean Lightfoot, Steven, Kelly, Frances and families extend a sincere thank you for the support and friendship extended to us during Jack's illness and passing. We appreciate all the text messages, phone calls, emails, flowers, food, cards, visits, and memorial donations during this difficult time. The many acts of kindness, care and concern are greatly appreciated and will always be remembered.

\* We would like to THANK our family, friends and neighbours for all your kind words, cards, flowers, and food brought to our house during the passing of our dear mother and grandmother, Shirley.

Thank you to Don and Jo-Ann for helping out during calving and always being on call whenever we needed you.....and to everyone else that offered and helped out in anyway. It was all greatly appreciated.

To everyone that attended the memorial service and to all the ladies who helped out and brought lunch for the tea.

It is great to live in such a caring community.  
 Thanks again,  
 Todd, Debra, Kayla and Jaide

\* I wish to thank everyone for the many cards, gifts, and congratulatory wishes that I received on my graduation day. Grad was such a memorable day and all your support made it that much more enjoyable. Thank you to all that gave us the opportunity to work for you to help us pay for our graduation expenses. To the teachers, for the years spent educating us, thank you! And to all my fellow grads, I wish you all the best in your future endeavors and remember... continue to put the class in classy. Sincerely, Lindsey Zilkie

\* I would like to thank everyone so much for all of the kindness, love, support, generosity and concern shown towards me and our family these last couple of months. Thank you for all of your support, phone call, food, visits, cards, money donations and especially for all your prayers for me and our family. It is all so very much appreciated and won't ever be forgotten. May God bless each and every one of you.

I would also like to thank Brian for being there and all that he has done, and also to Penny, Randell, Skylar, Hayden, Heather, Jody, Rayleigh and Brooklyn for all their love and support. Thank you to Bill, Larry, Debbie and Grant for taking the time to come down to Mexico and for everything they have done and for all their support. Thank you to Mom for all of your love and encouragement, as well as to my sisters-in-law, Pat and Peggy, for all that you have done.

Thank you to Dave and Vicki and the Church of God for all your prayers and financial help, support and encouragement.

Words cannot express my appreciation to everyone. The support of this community, spiritually and financially, has been so overwhelming but appreciated so very, very much.

Sincerely, Dayle McMillan

\* Thank you to everyone for all the get-well wishes—in person and by phone call, text and facebook message—after my accident. Don Smith
