The **Consul Cemetery Committee** would like to inform everyone about the condition of our cemetery: the badgers and gophers have made a terrible mess over this past year, and some of the grave sites are in dire need of attention as they are deteriorating. We are asking if you could please take some time to check out (family, friends', neighbors') plots, fill holes and help control the rodents.

Remember that our Centennial Celebration is approaching and we would like to have our cemetery looking presentable. Thank you!

New Programs to Support Canada's History

GATINEAU, June 11, 2013 - The Honourable James Moore, Minister of Canadian Heritage and Official Languages, today introduced a series of new measures to help promote Canadian history, including the first ever Government of Canada History Awards.

"Canadians want to know more about our history, and these new measures will make our history more accessible to all Canadians, particularly our youth," said Minister Moore. "This is especially important as we approach Canada's 150th birthday in 2017, which provides an unprecedented opportunity to celebrate our history and the achievements that contributed to the united, strong, and free Canada we know today."

New measures being announced today include the following:

- A **Canada History Fund** will connect youth to their history through the first ever **Government of Canada History Awards**, which will honour outstanding students and teachers who show an interest in celebrating Canadian history. The awards will be administered by Canada's History, an independent national organization with a mandate to make our nation's past relevant and accessible to all Canadians.
- The Harper Government will partner with the Historica-Dominion Institute to create **two new Heritage Minutes per year** between now and Canada's 150th birthday in 2017.
- ♦ **Existing programs at Canadian Heritage** will be strengthened to improve access to funding for local organizations that wish to promote Canadian history in their communities, including local museums and youth groups.
- Starting in 2013, July 1 to 7 will become **Canada History Week**, an opportunity for Canadians from coast to coast to get actively involved in learning about our country's history.

The total investment, funded from existing resources, is \$12 million annually. To learn more about what the Government of Canada is doing to enhance Canadians' access to their history, visit www.canadianheritage.gc.ca.

• I would like to personally thank the community and everyone that helped with my Graduation. Thank you for the cards, gifts and all well wishes that I received. Special thanks to my family for all they did, to Rod & Lisa Fairbrother for hosting the Grad party, and to all the teachers for all their help. Best of luck to my fellow graduates in their future plans. Thank you. - Casey Reamer

• We would like to extend our **thank you** to everyone for all of your hugs, kind words, cards, food, phone calls, flowers, & concern during our sad time. So nice to be surrounded by such a caring community. Randy & Cindy Genert & family

• I would like to give a quick thanks to everyone who helped make Graduation possible. Thanks to everyone who provided jobs and supported our fundraisers to help us raise money, as well to everyone who gave me gifts or cards. Also to everyone who came to join my class and myself in our ceremonies, with many congratulatory handshakes and smiles. To the community, a great thanks for all the love and support throughout the first 18 years of my life. All of this would not have been possible without your help and it is greatly appreciated. Thank you!
- Stefan Genert

• We would like to thank the people who sent flowers to Mom (it also brightened my day), the people who sent cards, stopped in at the hospital with a treat and for a visit, took me out for lunch or went for a walk with me during my stay in Maple Creek. A special thank you to Auntie Bette and Barry for the wonderful 'home away from home'. Also thank you for the many gifts of food, the offers of help, and the comforting cards—this community is absolutely unbelievable. The memorial donations to the Hall have been overwhelming to say the least—thank you so much. Thanks for being such a caring community.
Colleen, Jerry, Tiffany, Dylane, Brielle, Andy and Brittany

• Thank you so much for the kind and generous words in the cards for my retirement, to the people who were able to stay for the tea (although I was a little overwhelmed), to the school for the cake, and the students (and helpers) for the beautiful flower boxes. To be able to touch so many and do something you truly love for 32 years is awesome! It was great being able to "help students learn" and see them have so many successes. Now I will have more time for the other things I truly enjoy besides teaching—being a Grandma, Mom, wife, farmer/rancher, baker, quilter, bookkeeper..... maybe I won't have more time! Please stop in for coffee at our home or at Lac Pelletier!
- Colleen Reynolds
