MANLEY BREAD & HONEY

In light of the cafe being closed, we are still providing a variety of sandwiches and savory treats daily. We have lunch specials and can even pull off a pretty good breakfast. ☺ Our own English muffins make a great breakfast sandwich for only \$4.95.

We have Christmas goodies plates that are ready to serve or you can order ahead to have a variety of cookies and squares available for whatever needs you have over the holidays. Whenever possible order ahead to prevent disappointment!

Christmas Week Hours: We will be open Monday (as usual) and Tuesday, Christmas Eve, until 2pm. We will be closed December 25 to Thursday, January 2.

*In the event that you are in need of some 'freezer shopping' we are willing to meet you at the bakery if we are in town. Please call us at 306.299.2139 or 306.299.7181.

The Manleys and staff at the Bakery would like to thank our community and surrounding areas for the support they give this littlest Bakery ever! We enjoy serving you! We want to wish our community and customers a safe and meaningful Christmas Season.

LETTERS TO THE EDITOR

Grad 2014

There will be a Graduation 2014 in Consul!

Tavis Buchanan will be celebrating his graduation from Consul School the first weekend in May 2014 (more details to come with actual announcement).

We want to take this opportunity to clarify a few things with everyone.

First of all, a sincere thanks to everyone who has already supported Tavis by putting in an order with DFS..... much appreciated. Tavis will be selling Mom's Pantry as well, in the new year, with proceeds going to his Grad.

What we would like to clarify, to everyone, is that when you phone and hire the Grad class... and you talk to Patrick Fairbrother, Sidney Olson, Austin Agar, Travis Rabe or JennaMae Howell **you are not supporting Tavis' Grad**..... you are supporting the Grad class of 2015. This class is not supporting or sharing Grad jobs with Tavis. **If you wish to hire Tavis, and support his Grad, you need to phone him.** If your job is small, and requires only one or two people, you can call Tavis as Joe is always willing to give him a hand and support his brother and his graduation. If you need more than one or two people for your Grad job, and want to hire Tavis and the Grad 2015 class, please make sure you specify, if you would like to, exactly the grad you are wanting to donate to (or how you would like your donation divided).

It is large undertaking, planning, organizing and fundraising for your Graduation, let alone when you are the only one. The help and support of the community is greatly appreciated.

Thanks so much and please feel free to contact us if you have any questions.

Sincerely,
The Buchanan Family

Shopping at Home

The moment that we heard that the Eastend Co-op grocery store was closing due to poor sales, we vowed that we would, once again, buy the majority of our groceries in Consul. We hope that our monthly purchases will contribute to increasing our grocery store's sales. We had stopped buying groceries in Consul because the front steps were too dangerous for Bob. Raymond and Barb solved the problem and allow us to enter at the side entrance. We do not want our store to be closed or converted to a convenience store. What about you? What action will you take to help Consul grocery store remain viable?

Bob and Nancy-Jean Taylor
