Calling for old photos....Calling for old photos

The 100th Anniversary will be here before we know it, and Consul Museum would like to have a slideshow of photos on display at it. To make that happen, we need some more old photos. They can be really old or not so old. Pictures of families, people at work or play, Consul through the years, brandings, round-ups, farming, young people, old people, weddings, birthdays.... If it's a good picture, we want a copy of it!

Winter is a good time to sort through those albums and boxes of pictures. Set aside some good ones, give one of the Museum Board members a call (we are listed in the top left box on this page), and we'll come to you with our scanner. Your pictures don't even have to leave your house.

This will be a wonderful addition to all the great things happening that weekend!

Thank you for your help with this anniversary project!
