THANK YOU

"Many beautiful things cannot be seen or touched; they are felt within the heart." This quote aptly describes the way I feel about this community's generous support and love. As always, I am grateful to friends and family who helped me through this trying time. Your flowers, cards, and never-ending words of kindness will live in my heart forever. Although 2014 got off to a slow and trying beginning, I am so happy to share that I am healing well. Let me share with you the same kindness you have all shared with me. Stop in for a coffee sometime; my door is always open! Louise Agar

Sage Grouse Recovery - There has been a group formed to try and reverse the recent actions taken by the federal government regarding the Sage Grouse. Our goals are to rescind the Emergency Protection Order (EPO); rescind the Strategy for the Sage Grouse; rescind the Species At Risk Act (SARA); replace them with something that is more workable for all industries that they affect. This is a very short version of what we are trying to do. If you want more information please feel free to contact me.

If you would like to support us, we have petitions; they will be in Consul at the RM office, Dave Manley's and Southline. Letters to MP David Anderson and MLA Wayne Elhard would be very helpful, as well as the federal ministers. This action is just the tip of the iceberg. There are 13 additional species in the south that are at risk. Randy Stokke

May is Early Childhood Education Month in Saskatchewan!

Early Childhood Education Month is a fantastic opportunity to remind us that positive experiences for young children continue to help them throughout their lives. High quality early learning programs not only provide positive outcomes for children now, but also impact their development and influence their attitudes towards learning for the rest of their lives.

To learn more about high quality programming, a display including documentation of the children's learning through play-based activities, Ministry of Education's brochures and information sheets will be made available for you these upcoming weeks at the Credit Union.

May 14 is Early Childhood Educator Appreciation Day!

This is a great day to recognize ECEs for their important role in your child's life.
