## WELCOME TO CONSUL

Two years ago, people on the Consul Museum Board had an idea that Consul should have signs welcoming people to our village for the 100th anniversary. Our organization took this on as one of our centennial projects. Quite appropriate, right? A museum planning and donating towards a community commemoration of 100 years of history! Jackie Zilkie and Nancy-Jean Taylor spearheaded the committee and spent many hours on this.

The Village of Consul supported the plan and donated money, too. Yvonne Leismeister helped with the paper work to get Sask Highways' approval for the sign. Shelley and Geano Seifert made it possible to locate the sign in the centre of town by allowing the use of their land. Jamie Brost designed the sign and her husband, Darryl, with a bit of help from their sons, Braden and Rylan, built it. The sign would still be on Darryl's truck if Larry McMillan hadn't saved the day with his equipment, run by Dave Zoerb. Dave Zilkie got the sign in just the right place for us (and helped in other ways). Nola Sanderson from Kelli Dee Florists chose the shrubs and gave us a discount. The Museum Board planted the shrubs, but again not without help from others - Milan Bilaz, Jack Cleve and Cliff Smith dug holes; Elmer Palmer gave the use of his tractor. **Thank you very much to everyone!!**

The sign will be officially unveiled before the parade on Saturday, July 5th. See you there!

 **This is your reminder** to head to the Senior Centre on the anniversary weekend to see the Consul Museum slideshow. Many pictures of the Consul area and its people throughout our first century are included! Many thanks to Ann Behrman for the hours she has put into this!!

Lindsay Clarke is busy fixing up the mural on the 'Consul Garage' these days. Thanks to your support of *The Reno Reader* we can fund an important project such as this. It will soon be looking as good as new!

Another Consul trivia item: Pete & Bessie Reesor (Ron Reesor's parents) once owned the land that Consul is situated on. In 1913 the C.P.R. purchased a quarter section from them for the townsite.
