THANK YOU

Thank you Consul and Maple Creek Ambulance crews. It is so good to have you skilled folks when we need you. Thanks also to Ron and Delores for being there when I need help. - Richard Moorhead.

We would just like to say "Hi" and also a big "thank you" to all our friends and neighbours at Govenlock, Consul and all around! We always feel welcome.... Had a great time at the rodeo and the absolutely awesome 100th! Consul rocked!! We miss you and often speak of the laughs, pranks, and work done by all of us. Friends over here are envious. You should be so proud of your community....we sure are. Kudos to the volunteers, fans, and supporters of the Rodeo and all the other community events, too. Go Riders!!!
Doug, Jill & Family

Consul Museum has a few more people to thank that helped us with our projects for the 100th anniversary. Thank you to Grant Brown for donating the gravel around the sign, Randy Olson for the loan of the antique plow, Marj Gilchrist & Teresa Heglund for help with the shrubs, and Cliff Smith for watering them. Another thank you goes to the Church of God for loaning us their equipment for the slideshow we hosted that weekend. The slideshow would not have happened without all the hard work that Ann Behrman put into collecting, sorting, labeling, and putting the photos into a PowerPoint presentation. THANK YOU ALL!

BAKERY NEWS: Our summer has been a little busier than usual! We thank our community for their continued support and for introducing your friends to your local bakery. We also thank you for sending tourists and tradespeople our way. Our town welcomes more visitors than you would think!

I have a number of thank yous to include in this issue. First of all I would like to acknowledge all the beautifying efforts of Marj Gilchrist and Teresa Heglund. The town looks awesome and I especially appreciate the flower beds in front of the bakery. It is absolutely lovely! Thank you. I know Austin, my husband, and a number of others contributed time and 'old stuff' to accent everything so well - thank you. I also very much appreciate Dave Zilkie, and thank him for shoring up the caving sidewalk near the bakery. I would like to thank the 100th Anniversary Committee for all their efforts in creating a really terrific weekend for our 100th Celebration. WHAT a lot of work! I've told a few on the committee that it was really neat to see how everything that 'we' do well was showcased. Good Job Everyone. And finally, and most currently, thank you to Warren Seifert for his capable and conscientious effort in providing the village with potable water.
