UPDATE FROM LIVING HOPE RANCH

The LHR board would like to thank everyone in the community who has offered land as potential locations for Living Hope Ranch. We are currently pursuing one of these options as the official plant and startup of LHR. Watch for further updates about the future location for LHR. In the meantime we continue to finalize legal and regulatory requirements including the application for charitable status with Revenue Canada.

LHR has a full website with an active donate button, and printable PDFs of the Program and Student Handbook. Check us out on Facebook. Please feel free to check them out to stay up to date with progress and information. Monthly progress updates will be posted online as development continues. Any information regarding the current status of LHR can be found at www.livinghoperanch.ca.

Our Director of Communication, Kristen Zilkie, has been spending time on the road raising awareness and fundraising for LHR. Over the past few months she has traveled to various places in Saskatchewan and into Alberta. Over the course of the next two months she will be heading to Regina, Saskatoon, Lethbridge and Calgary for speaking engagements and business meetings with corporate sponsors and potential future investors.

Inquiries into LHR's program continue to come in, which include emails and phone calls from parents and girls requesting applications to attend. The number of inquiries has already exceeded the number of available positions LHR will offer. There has been almost an equal amount of inquiries into future available staffing positions at LHR.

The LHR board would like to thank the community of Consul for their outpouring of support and interest in LHR as we continue to move forward. We look forward with anticipation to the future for Living Hope Ranch within this community.

Again, if there's anyone with any questions, suggestions or inquiries regarding LHR please contact Kristen Zilkie or Nancy-Jean Taylor.

Sincerely,
The Living Hope Ranch Board

Week of September 20 to 26

Voter information cards are printed. They will be mailed to some 25 million registered electors this week. The card will tell them when and where to vote, and shows the accessibility of their polling site. Stay tuned.

Candidates have until Monday (September 28) to file their nomination papers.

Did you know? Elections Canada has evaluated 25,000 potential polling sites in the country against 35 accessibility criteria, 15 of which are mandatory for a site to be considered accessible. The majority of polling places in this election will meet these criterias, and the accessibility features of each polling site will be published online.

VILLAGE OF CONSUL

Waste & Recycling Program

Our landfill is quickly filling up and due to new regulations it is quite costly to keep our landfill operational. Therefore we are looking at introducing a waste and recycling program for the residents and businesses at a cost per house/business per month. Note that the cost will be dependent on the amount of waste and recycling. If you have any questions or concerns regarding this program please contact the Village office or a member of council.

CONSUL MOTEL BAR & GRILL

Since the unfortunate fire at Consul Motel Bar & Grill on the August long weekend we have all been wondering what the future holds for the business. Will it be demolished? Will it re-open? Bill Singh, owner of the establishment, was reached earlier this week and had some good news. He said that he doesn't have a date yet, but that he is hoping to re-open the bar sometime soon, maybe in a month or so. He is also planning to run a small restaurant again.

In a community as small as Consul, we hate to lose any of the businesses or services we have. We wish Bill all the best in getting things up and running again!

Wildfire is a powerful natural force.

Fire has changed Canada's forests, prairies, and parklands for countless generations, and brings healthy renewal to diverse ecosystems. But some fires can have a devastating impact on public safety and property. Use FireSmart principles to help protect your family and property from wildfire damage: you can make a difference!
