## LIVING HOPE RANCH

Thank you to everyone (over 70 community members) who attended the Living Hope Ranch Open House on April 11<sup>th</sup>. This early engagement session was intended to provide preliminary results of a seven-month feasibility study, and we heard that more information is required to fully understand the impacts of a girls' group home to our community. Please note that this project is in its infancy and that a group home will not be opened as early as September, contrary to what was previously released in the Maple Creek Times.

Over the next several months, we will be working alongside the community and leading human services agencies to explore, validate, and address the concerns that we heard around implementation and security. We look forward to communicating our findings to you and engaging with you in this meaningful work. As part of our commitment to communicate in a timely and accurate manner, Kristen Zilkie was appointed as the Director of Communications immediately following the Open House. Ms. Zilkie will be responsible for connecting with key stakeholders and will be the primary point of contact for community members who wish to provide additional feedback.

The Board appointed the Executive following the Open House. The Board's immediate next steps will be to develop a strategy to address the critical issues raised by community members on April 11.

Board: Nancy-Jean Taylor (President), Tami Reynolds (Secretary), Kim Lacelle (Treasurer), Dave Manley, and Denise Fletcher.

For additional information, please contact Kristen Zilkie, Director of Communications. LivingHopeRanch@gmail.com.
