## May 15<sup>th</sup> is Early Childhood Educator Appreciation Day

Thank You

This is an opportunity to recognize the important role of early childhood educators in a young child's life. Early childhood educators assist children's learning through play-based activities. Whether in child care, Prekindergarten or other early years programs, early childhood educators provide high-quality play and learning experiences that will benefit young children for a lifetime.

Please recognize this day by thanking those who help educate our youngsters—at play-school, daycare, and school.
