THANK YOU

Thank you to the ladies of Consul for planning and hosting my bridal shower. Thanks to all who attended and for the lovely gifts. Your generosity and good wishes are appreciated!
-Erin Benjamin

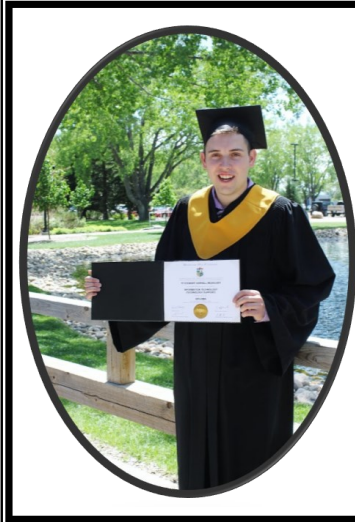

Many thanks to Consul Community for your love and support for us all after David's passing. I've never lived anywhere, where everyone is so kind and caring. Thanks to Pastor David Manley and Vicki for being with us every step of the way and doing the service at David's funeral; to Bevin and Carrie for the beautiful song; Skylar for putting the video and music together; the church ladies for doing the luncheon at the church and at the hall. To Robynn for her eulogy and everyone who brought us food and hugs. Consul, we love you!

- Sharon, Randell, Penny, Skylar, and Hayden,
and of course, David's buddy, Shep (his dog)

Meda Paterson wishes to thank everyone who attended her 100th Birthday party, for the lovely cards, flowers and phone calls. It was a wonderful visit and celebration! Thanks to Clay Yarshenko and the Fort Walsh staff for the honorary tribute at the spectacular Musical Ride. The hundreds of voices singing "Happy Birthday" was very moving and touched our hearts with pride as we reflected on Meda's grandfather, Sgt. David Paterson's, service to the NWMP at this very spot. With sincere appreciation to all, Meda and her family.

I would like to thank the Consul EMS and Fire Department for their fast response following my accident. Thank you to all of the doctors and nurses at the Maple Creek and Medicine Hat Hospitals for the great care I received. Thanks for all of the visits, phone calls, texts, thoughts and prayers while I was in the hospital. All of your support means a lot!
- Shay Pridmore

A big thank you to Brandy and Wes and the crew—thanks so much for sorting and hauling the recycling for us. Also thank you to Paul for the use of your truck and trailer. Job well done! From the Friends of Cypress Lake Rec Site Inc.

Darrell and Sheri McKelvey are proud to announce the graduation of their son,
Ty McKelvey,
 from Medicine Hat College. Ty graduated with a Diploma in Information Technology.
 He is currently working for Solutions Through Software in Medicine Hat.

*Congratulations Ty!
 We are very proud of you.
 Love from your family*

The Consul Reno Rodeo & Ag. Society would like to take this opportunity to say a big THANK YOU to everyone who donated time, equipment and supplies to help make this, our 8th rodeo, a success. We would not be able to do this every year without the support and help of every one of you.
