Consul Rink Board

THANK YOU

I came across the following quote, “Before you complain... Have you volunteered yet?” Volunteering for any committee is not an easy job. I would personally like to thank the following:

- Thank you to everyone that volunteered their time to the rink this season.
- Thank you to the Rink Board & Blake Jones for putting up with complaining in regards to the scheduling of the ice. You did a great job of making a schedule based on everyone’s requests and how many people it impacted.
- Thank you to Megan for ordering for the booth and putting up with the complaining of not having it stocked all the time. What no one understood was that your suppliers were not coming when they were supposed to.
- Thank you to Stephen for taking on the difficult task of scheduling the booth workers and then having to listen to people complain or not show up. It is a very hard job as you don’t know everyone’s personal schedules.

Complaints, words of discouragement and negativity happened far too often to our amazing volunteers this year. If you have nothing nice to say, don’t say anything at all. If you have suggestions that will improve how the rink is run then we look forward to seeing you at our board meeting in the fall.
