MERRY CHRISTMAS TO ALL!**

Doug Steele, MLA
Cypress Hills Constituency

Christmas is the time to spread the message of love, harmony and peace. Christmas and New Year celebrations are a wonderful time of year. This is a special time to reconnect with friends and family; to set aside challenges, to look back with gratitude and forward with hope.

The Christmas season is a time to join in the community spirit. A time when generosity of spirit is very apparent in our communities. A time to work together and make sure that everyone has food and company.

The best way we can celebrate Christmas is by giving gifts of love and thankfulness. It is a time when we can stop to remember those who are often forgotten or less fortunate. It is a time help those who are in need.

Whether you are going to parties and/or events across the constituency or just visiting with those that we haven't seen in a while I encourage you to enjoy each other's company and have fun.

Please plan ahead if you partake in "spirits"; remember not to drink and drive.

From my family to yours, I wish you a Merry Christmas and may the year ahead bring health and happiness. Happy New Year!

T. EATON COMPANY OF CANADA AND CATALOGUE SHOPPING

THE "HOMESTEADER'S BIBLE"

Once known as the Homesteader's Bible, it was a long-standing Canadian tradition to shop for Christmas gifts in the T. Eaton Company mail-order catalogue. Some have claimed that only two books truly mattered in Canadian homes - the family Bible and the Eaton's catalogue.

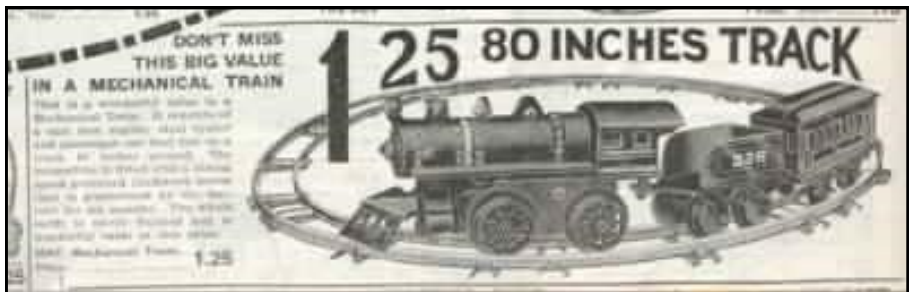

The T. Eaton Company of Toronto issued its first catalogue in 1884. In 1905, to serve the growing needs of the West, Eaton's built a combined store and mail-order warehouse in Winnipeg. Saskatchewan people responded. They ordered clothes, household items, farm tools, radios, books and sports equipment. In homes across Saskatchewan, a little boy or a little girl could dream of balls and dolls, tea sets and train sets, enticingly arrayed in the pages of the Eaton's catalogue.

The Western Development Museum, Saskatoon, has a large selection of things ordered from the Eaton's catalogue.

For 71 years, until 1976, Eaton's provided mail-order service.

Do some of you remember the Eaton's catalogues??

This American Flyer train set with key-wound clockwork motor cost \$1.25 from the Eaton's (Winnipeg) Fall/Winter Catalogue, 1916-17.
