COMMUNITY SERVICE

Children's Wish Foundation

In Health class we were assigned a Community Service project to raise money for a charity of our choice. We chose the Children's Wish Foundation because we wanted to help fulfill the wishes of sick children. From November 14th to November 18th we sold baked goods in the school. Monday was "Muffin Monday", Tuesday was "Treat Tuesday", Wednesday was "Wonderful Square Wednesday", and Friday was "Pie day Friday". The Friday was the most successful day due to the flu clinic held at our school. We offered pie and coffee to those that came. This day brought in the majority of our profit. Our week's total

was \$618. It was nice that the community was there to support our fundraiser throughout the week. This assignment was a great opportunity for us to make a difference and we realize that even though we are a small town we can achieve great things. We are grateful to be from a small community with big hearts.

Canadian Cancer Society

In Health class the Grade 9 & 10 boys of Consul School decided to raise money for the Canadian Cancer Society. We built a Go-Kart from scratch with donated parts and some parts that were purchased. We worked on this project at noon hours, Shop class and Health class. We put tickets in local businesses and sold them for a month to various communities. We would like to thank Warren

Seifert for helping make this project successful. The winners were drawn at the Christmas Concert on December 16th. The Go-Kart was won by Jason Jarman of Climax, 2nd place Movie basket was won by Tia Lacelle and the Gift Card was won by Bev Penner. Due to the generous donations and great community we were able to raise \$714 for the Canadian Cancer Society.
