February 5 to 11 is Saskatchewan Archives Week

In honour of our province's heritage and the work that has gone into ensuring its preservation, and to promote the role of archives in society, we celebrate "Archives Week" in Saskatchewan, on the first full week of February. This helps kick off Heritage month and coincides with the birthday of Edmund H. Oliver, who was the first professor of history at the University of Saskatchewan, and arguably the father of archives in this province.

Saskatchewan archivists argued for and helped to develop Archives Canada - a national database of archival information. Provincially, we have developed the Saskatchewan Archival Information Network (SAIN), an on-line database of textual records as well as being the first province to initiate an on-line provincial photograph database.

Archives Week fosters our identity and pride in our past with displays and special events. It elevates the role of our province's archival institutions as keepers of authentic evidence of our past, keeping archives on our map!

YOUTH TRAVEL GROUP

Lindsey Behrman along with a group of students in Grade 6-8 have started a Youth Travel Group. Their plan is to go on a trip to Europe in 4 years. They have formed the group now so that they can fundraise for the next 4 years to offset the cost of the trip. We are very excited for the opportunity the students will have to experience another part of the world.

Our first fundraiser will be a **Slave Auction + Pancake Supper** on **Thursday, April 6th**. It is being held at the Consul Hall beginning at 6:00 pm.

We are also planning a **Social Event for Saturday, October 28th**. Please mark your calendars!

The group wants to thank all those who supported their Super Bowl Pool. Congratulations to winners Brooklyn Newman, Stuart Howell, and Eleanor Jones!

You don't have to scrub any floors. You don't have to be a tour guide. Consul Museum is totally online & looking for people interested in helping to build more of the website.

No special skills required, just an interest in history!

Dear Seed Cleaning Customer,

The year 2017 is already off to a great start, and February has already arrived. Seed cleaning season is upon us, or at least, just around the corner. We are looking forward to meeting all your seed cleaning needs. However, there will be a change in our cleaning schedule this year in that we will **not be cleaning any spring-seeded crops after April 1**. This change is to accommodate our own efforts to get spring seeding done in a timely matter.

We certainly appreciate your business, and hope this does not create too much inconvenience for you. Of course, weather can play a factor into how we plan our days, and if a little rain slows down the field work, we may be able to do extra cleaning here or there. However, the sooner the seed is cleaned, the sooner we all can be ready to hit the field. To book a time to bring your grain into the elevator for cleaning at Consul, please call Rodney Fairbrother on his cell at 306-299-7814. And as usual, the coffee pot will be on and ready!

Sincerely,
Rodney and Lisa Fairbrother
