CYPRESS HILLS MLA REPORT

Greetings, Consul and surrounding communities,

Agriculture is the foundation of our province and our government wants to make sure we are providing the right services, in the right locations, using the best delivery options available. We are asking producers and industry how we can better serve them and how we can ensure our extension activities need to be driving sustainable growth and ensuring our producers stay competitive in a global market.

We need the voice of those who access our services currently, as well as those who don't, to ensure we move our extension activities in the right direction. Farmers, ranchers and agribusinesses are invited to provide input on how the province delivers business information, advice and support. An online survey – open until March 31, 2017 – can be found at Saskatchewan.ca/public-consultations.

I salute all of you in the field of agriculture and thank you for your hours of time and hard work.

THANK YOU

St. Stephen's Church would like to thank everyone who supported our Pi Day in any way, including donations of pies, cash donations, helping at the event, and, of course, coming out to eat pie! \$700 was raised to send to the Loyola Hope Centre in Togo, Africa!

The **Govenlock Hall committee** would like to give a HUGE thank you to everyone for coming out and supporting our St. Patrick's Dance, in spite of the weather conditions. Thanks to all those who donated door prizes, raffles or money, and congratulations to the winners. Special thanks to Paul Tremblay for your very generous donation once again. I think we all had a great time and we will see you again next year!
