T H A N K Y O U

Easter Sunday started out just like any other day for our family but changed in a moment. We cannot thank our Consul Ambulance crew enough for your quick response and the medical attention you provided for Lorne in the field and on the way to the Shaunavon Hospital. Thanks also to Frontier EMS, Eastend First Responders, Stars and everyone else that came to help. Because of the care received by all those involved, Lorne was able to walk out of the Regina General Hospital on his own and is recovering well at home. Thanks to all those who have sent their well wishes, meals, and offers of help. They are greatly appreciated.
