CYPRESS HILLS MLA REPORT

Congratulations to the Class of 2017!

You have made your family, friends and your province proud.

Your education has provided you with knowledge and understanding that will open up a world of opportunity. Your potential from here is as limitless as the Saskatchewan prairie sky.

The decision to further your education, to acquire new skills and knowledge, is a great investment. Our government believes that investing in education is one of the best things we can do.

We are committed to keeping post-secondary education accessible and affordable through investments in student financial supports, including the Saskatchewan Advantage Scholarship.

In 2016-17, the scholarship helped over 20,000 students in our province reduce their tuition costs.

Since its inception in 2012, the Saskatchewan Advantage Scholarship has provided over 67,000 scholarships to approximately 32,000 students, totaling nearly \$33 million.

I encourage you to visit Saskatchewan.ca to learn more about the student supports available.

Saskatchewan is a great place to live, work and go to school. On behalf of the Government of Saskatchewan, congratulations and best wishes for a bright future here in Saskatchewan.

As you take time to reflect on and celebrate your many achievements, remember to thank your parents and always remember where you came from.

Best wishes on graduation day and I hope you had a safe and joyful grad service.
