As a key natural ingredient in beer, barley is what gives beer its distinctive foam, subtle sweetness, golden to dark brown colour, and compelling aroma. In many ways, beer is a highly crafted form of liquid barley.

THANK YOU

■ Thank you, Thank you, Thank you.

I am deeply honoured at the outpouring of support and gratitude expressed at my 40 year retirement party.

I am so humbled by the people that came to the retirement supper and by so many others that phoned, texted, emailed or sent cards.

It was a great evening in every aspect.

The Dept. of Highways has been a great career and it was an honour to work for the province of Saskatchewan, but more importantly to serve the people of this community.

Thank you so much!!!

David Zilkie

■ A big thank you to our family who planned and put on a great anniversary party at the Good Sam, and another thank you to the friends, neighbours, and relatives that came from the areas of Medicine Hat, Calgary, North Battleford, Fort McMurray, and Consul to celebrate with us. We also enjoyed all the cards and phone calls. God bless you all.
