We would like to thank all those for the monetary donations as well as the donations of baking for the bake sale. Thank you to LUQY Catering for donating the sausages and a few other supplies for the pancake supper. We appreciate the support of this great community!

The Consul Curling Club will NOT be holding a beer garden Monday Mar 5 thru Thursday Mar 8, of the Open Bonspiel, but would welcome any other club to do so. MLA MESSAGE

We continue to strengthen our province by making important investments in health, education and infrastructure across the province. Making our province stronger and helping give quality of life for everyone across the province. We are finding ways to build a resilient economy and focus on our growth plan which includes competitive taxes, innovation and infrastructure. Engaging with markets around the world, opening up markets for Saskatchewan products to help build a strong, diversified and growing economy. Effective January 1, small businesses will pay tax at a much lower two per cent business tax rate. Encouraging small businesses to continue to invest in Saskatchewan.

Know that I, along with the Government of Saskatchewan, will continue to work hard for you and your communities during this New Year. Our commitment to this province is as steadfast as it's ever been, and with your continued support we can ensure that we keep Saskatchewan strong this coming year, as well as in the following years.

I would like to wish you and your families all the best in the upcoming year.
Doug Steele, MLA , Cypress Hills
