Saskatchewan!

Celebrate Science

September 23 to 29, 2019

Saskatchewan hosts over 30 percent of Canada's agricultural biotechnology activity, with many other areas developing, such as genomics, plant-made pharmaceuticals and diagnostics. Two university campuses and three research parks, along with numerous research institutions and technical training centres, create a research cluster - a great benefit to businesses, from start-up companies to international success stories. Outstanding science R&D infrastructure, a talented workforce, quality raw materials and a solid business environment make Saskatchewan the perfect place for bio-business.

Saskatchewan's Global Biotech Week organizing committee has developed a week full of activities that include industry networking events and workshops, as well as public outreach events, in Saskatoon and Regina.

Events this year include Saskatchewan Taste of Innovation, Innovation Place Walking Tours, Science Cafés in Saskatoon and Regina, CropLife Canada's Confident Conversations Workshops, The Amazing Biotech Race, Biotech Trivia Night, Biotech & Beer, Saskatchewan Science Centre family activities, a screening of the movie, *Before the Plate*, at the IMAX Theatre in Regina, and special evening tours at the Canadian Light Source in Saskatoon.

Also, on September 28th Saskatchewan Polytechnic celebrates the 50th Anniversary of its BioScience Technology Program!

From brewing to medicines to biofuels to environmental waste cleanup to genetic testing, biotechnology surrounds us every day. You can learn more at globalbiotechweeksask.ca.

October 7
 at noon

Seniors' Week in Saskatchewan

This special week encourages all of us to come together to recognize how important seniors are every day in every community.

The Government of Saskatchewan is committed to improving the health and well-being of seniors. Saskatchewan seniors are an active and engaged group in our province. Seniors' Week provides us with the opportunity to celebrate the many positive contributions seniors make in our province, whether it's in the arts, culture, sport or community.
