## Young Entrepreneur Wins Award

On January 14th Cameron Blakley and family travelled to Saskatoon where he received a Young Entrepreneur's Award for his egg business called Eggs N' Blakley. Cam applied for the award from the Get A Bigger Wagon Productions and the Edwards School of Business at the University of Saskatchewan. He had to make a short video and send a description of his business and an expense report to apply. He was selected with another applicant as the winner of the 13-15 years old category where he won \$1000.

Cam has been in business for 10 years where he supplies eggs to the bakery and some neighbours. With his winnings Cam plans on buying an egg washer and some broiler chickens to start his pastured poultry meat bird business. Congratulations Cam on winning your award!

### The Energy Sector is off to a Roaring Start in 2020

57 of Saskatchewan's 105 rigs were working as of January 6th, up from 19 rigs just three days earlier. **This means Saskatchewan has a higher rig utilization rate** than both Alberta and British Columbia.

Rigs resumed operation near Shaunavon, Lloydminster, and Kindersley, providing much needed jobs to the hard-working men and women of the energy sector.

### Consul School Report

Consul School has been a very busy place since the students have returned on January 6th. On the first Thursday back the students participated in the annual Winter games which was held at the Consul rink. Students could chose between a 3 on 3 Hockey tournament or a curling bonspiel. All the teams competed for prizes for the top teams and best costumes. All of the students and volunteers had a great time.

Exam week starts next week with the grades 10-12 students writing exams and departmentals in all their core classes. Also just around the corner is the school's annual ski trip where students travel to Hidden Valley Ski Resort at Elkwater to have a fun day on the slopes.

After the February school break, the students can look forward to some school sports starting again. Archery will be offered and Badminton is hopefully another option although the school is still looking for a coach. If anyone is interested in coaching badminton please contact the school.

And at the end of March the students also get to look forward to another Student Convention. It will be held on March 26th and there will be speakers and break out sessions where the students can learn about and try new things.

Our students have so many fun events to look forward to this season, we are very lucky to have such a great school!
