The Village of Consul

would like to thank our community for being vigilant on staying home and social distancing to stop the spread of this virus. Also we'd like to would like to remind you even though the government is lifting restrictions we still need to be careful to keep ourselves and those around us safe.

We'd like to especially thank those on the front line, like our healthcare workers and our local business operators and employees, that have taken the necessary precautions to keep their customers and themselves safe.

Keep up the good work, everyone!

Due to COVID 19, **Reno Multiple 4-H Club** will not be able to hold our Achievement Days for our projects this year. Our members have done a lot of work and we are all very proud of their accomplishments! The beef members have sold their steers by private treaty. We wish to thank everyone who has supported our members and club this past year! We will be back in the fall to start a new year!!

Warlin Ice Cream Shop will be open regular hours, 9-5, beginning Tuesday, May 19. Soft serve ice cream and slushies will be available.

consul curling club

The Consul Curling Club has good news to share with our curling community. We were able to purchase a used ice plant for our rink this spring from Richmond for \$3,500. The cost for a new one would have been over \$80,000. The plant room may need to be expanded and some other changes need to be made. The total cost of this is yet to be determined. We have to wait and see how and when things can be done. Since we are unable to hold a public meeting right now, we just wanted the community to know we are moving ahead with saving our curling rink, with the hope of using it again this coming winter.

friends of cypress lake update

In light of the covid-19 situation, the bathrooms and fish station are unable to be opened up at this time.

Also, as the board of Cypress Lake Recreation Site, we have decided to depend on the volunteer labour of board members to keep the grounds clean and trimmed rather than hire a caretaker. We don't feel we have funds to hire at this time. Any help will be welcomed, so cleaning up after yourself before leaving the lake would be very appreciated.

Thank you so much to all those who continue to help keep this wonderful picnic spot available to enjoy! Together we will be able to preserve this local gem for families to enjoy time together!

r.m. of reno

Attention RM of Reno No. 51 – please be advised that if you are using the RM garbage dumpsters to please be respectful. If the dumpsters are full, please DO NOT leave garbage on the ground beside the dumpster. You will have to take your garbage home and wait until they have been emptied. The RM is looking into getting another dumpster so there will be more room for garbage in between times emptied.

Also a reminder that if you bring your recycling in a bag or box to the recycling bin, open and dump the contents into the bin. And remember that all styrofoam goes into the garbage; it is not recyclable.

If you have any questions or concerns, please contact the RM of Reno Office. 306-299-2133

Spring's a busy time in our rural areas with seeding, calving and other agricultural work.

Thank you for feeding not only our community, but those around the world.

Please be safe out there.
