## REPORT FROM POLL 41

by Susan Pridmore (Deputy Returning Officer)

By now you have heard the news that voters in Saskatchewan returned Scott Moe and the Saskatchewan Party to lead government in our province for another term. After all the votes were counted, the Sask. Party won 48 of the seats and the New Democratic Party won the other 13.

At our local poll in Consul there were 187 people who cast ballots on October 26th. (18 additional people voted at advance polls or by mail and their ballots would have been counted elsewhere.) The results looked like this:

GENERT, Kelly	NDP	3
GOOHSEN, John	PC Party	6
HOLIGRASKI, Dianna	SK Green Party	1
STEELE, Doug	Sask. Party	151
TIRINGER, Crystal	Buffalo Party	25
Rejected Ballots		1

There were 314 names on the Voters List for our poll. With 205 people voting that represents a 65.3% voter turnout. Provincially the turnout was 52.9%.

As we checked IDs that day, we noticed many that had their mailing address on their driver's licence. This piece of ID should show your physical address (street address or land location). It then becomes the only piece of ID you need to show when you vote. Furthermore, according to police, a physical address on a driver's licence will assist emergency services to more efficiently locate an 'at home' emergency which may result in saving a life. An address update can be done at an SGI office, online through MySGI, or by calling 1-844-TLK-2SGI (1-844-855-2744) and having your Customer Number from your driver's licence ready.

## consul curling club

The used plant we bought is now set up and ready to start. We have received the bill for making this possible; it is \$30,173.00 and it is due at the end of November. We have a total of \$11,690.00 in the bank. We are asking the community for any donations they can make to help pay this bill. If you want a tax receipt, please donate through Village of Consul, stating it's for Consul Curling Club. We thank everyone that has donated already. In March we did apply for the FCC grant, but were not given any money.

We will be holding our annual meeting on Tuesday, November 17 at 7:30. At our annual meeting we will discuss if we will be putting in ice this year. If we do, we will need a minimum of \$8,000 to run this year; over \$7,000 will go to power bills. We have already paid the insurance for this year, \$2,219.00. We will also be discussing ways to pay the plant bill. Any and all curlers are welcome at the meeting; social distancing will be followed.

## reno 4-H report

- by Shyanne Reynolds

The first meeting of the Reno Multiple 4-H club was held at the Consul Community Hall on October 5th. This year the project includes light horse, beef, and baking. There are 17 members this year. Elections took place to vote for the new executive. Will Blakley is the new president, the vice president is Cameron Blakley, the secretary is Sierra Mackie, the treasurer is Jane Beierbach, and the club reporter is Shyanne Reynolds. We will be hosting a food drive for donations to the food bank that has started now and will be running until the middle of November. Look for a donation box at the Consul Co-op. This year we could not have the food sale like we usually do but we still decided to donate to two different places. This year we donated to the Consul Ambulance as well as Stars Air Ambulance. On November 4th we wore green and white to support National 4-H day. We are also donating one boy toy and one girl toy to the toy drive. This year we are unable to host our annual Bingo Bake Sale. Instead we are going to have an online Facebook auction at the start of December. This year we are also going to have a sausage fundraiser again that will be held in January. Continue to watch for more information on the Facebook auction and the sausage fundraiser!

## keeping in touch...

To our Community...

Thank you for the gift of money we received from y'all.

Though we have settled quite nicely here we will always call Consul our home.

So many wonderful friends and memories...

Our new address is

Come for coffee, and to quote an old country song...

*Oh the door is always open*

Thanks from Jackie and Dave

Hello to Govenlock, Consul and the whole district. How are you all doing?? We miss everyone and the fun and laughs....

We think of you often and retell stories/pranks... much exaggerated...Doug's interpretations! LOL! Everyone is fine here...considering. Nothing has changed much really as we never go anywhere anyway...chores, mail, grub. We don't see the grandkids much which is sad, but it is what it is. I'm still teaching on the REZ...gets me out of the house and gives Doug a break eh?...me, too!! Lots of machinery has been patched and fixed, haying, fencing....you know - the same for you. LOL! I have baked more bread lately than I had in the last 30 years!!

Can't wait to get the rodeo going again and have some fun!! We will.

Take care everyone and stay well.

Cheers...Doug & Jill

**\*\*Many thanks to everyone who called to check on us and offered help if we needed anything when the Forest Fire was raging just NW of us!! It was pretty scary at the time but they did get it under control finally....and the Evacuation Alert was lifted.....never a dull moment! GO RIDERS!!**

Rebecka and I would like to say a HUGE thank you to everyone who participated in our wedding money tree. We were truly blown away by the generosity of this community! Thank you from the bottom of our hearts for celebrating with us - even though separated by distance. This is a huge help as we start out our lives together as husband and wife. Thank you for blessing us beyond what we could have imagined. I am so thankful to have grown up here and to come from such a caring community! Thank you again for your thoughtfulness and generosity! It is appreciated!

With everything how it is with covid, our wedding definitely looked different than we thought it would have. Nevertheless, it was such a special day with a small group of family and friends.

*Darryl & Rebecka Brown*

### Have you heard of CROCUS CREEK BOUTIQUE?

Although only a few months out of high school, Macey and Madison Howell are wasting no time in putting their education to good use and getting into the business world. They have started an online boutique with the hopes of offering sophisticated western-styled clothing and accessories that come at an affordable price and are easily accessible within Canada.

"We would like to send a huge thank you to everyone who has supported us in our boutique so far," remarked the entrepreneurs. "So many of our orders have been from local people and it means the world to us!"

Head on over to their website, [crocuscreekboutique.com](http://crocuscreekboutique.com), and check out all the great merchandise they have to offer. Follow them on Facebook and Instagram so you can be the first to see new arrivals.
