Great project for beginner knitters.....passes the time.

To each and all of my “South Run/Road Run” customers:

It is with mixed emotions that I decided to retire on December 31, 2020.

I started with Blythman Agencies Ltd. in September 1977. In the early 1980’s I took over the road run from my dad Art Blythman, and it has always been the best day of my week. I have enjoyed working with all of you and consider you more as friends, than a customer.

On a lighter side.... I have stops where I am dealing with the 3rd generation, and stops where I am dealing with the same person.

Cale will be taking over this run going forward. Cale is the 5th generation in our business. He will continue to serve you as well and probably better than I have. He may need some driving directions until he figures out where everyone lives, no different than when I started.

I will continue to have my same cell phone number 1-306-662-7750. I hope to enjoy a visit with each of you.

Wishing everyone success and prosperity going forward.

Again, thank you all.

Brad Blythman

CELEBRATE CANADA'S AGRICULTURE DAY

Canada's Agriculture Day is back!

Last year, the entire ag industry celebrated at hundreds of events across the country, shared our pride, opened doors to new food conversations, and trended nationally on Twitter. And though the world now looks a little different, we can't wait to do it again in 2021.

Join us on **Tuesday, February 23** as we raise a fork to the food we love.

Connecting with consumers

Canada's Agriculture Day is a time to showcase all the amazing things happening in the industry and help consumers see the connection to where their food comes from and the people who produce it. Consumers want to learn more, and this day is a great way to start the conversation.

Here are just a few ways you can get involved:

- Post a photo, make a video, or write a blog. Share what you're doing on social media using the hashtag **#CdnAgDay**.
- Encourage your friends to show off their culinary talents using all-Canadian ingredients.
- Teach someone something new about agriculture. Share your knowledge and story with others.

These ideas are only suggestions - come up with your own ways to share your passion for ag and inspire others to join the conversation. It's all about celebrating Canadian agriculture and food in engaging, fun and respectful ways.

For more inspiration, visit **AgDay.ca**.

We can't wait to celebrate with you on February 23!
