thank you

We would like to thank everyone that has supported us on Mia's medical journey. We always knew we had some pretty amazing people in our corner but we are pretty overwhelmed and appreciate everything everyone has done to make things a little easier to make sure Mia gets what she needs!

Thank you to everyone that donated, bid, bought, sent money and cards (Mia has read all of them), offered to keep kids, answered my phone calls to help pass the hours in the vehicle, and everyone that has kept us in your thoughts and prayers. Thanks to everyone who has dropped food off and sent get well gifts. We cannot thank you enough.

Mia is one of the strongest, most determined and positive kids we know. Since starting treatments Mia has seen some big improvements and continues to set new goals that she works at daily to keep getting stronger.
